

Coy,

I don't know how to submit these to existing Isonville file. So I'm e-mailing these to you.

We, my sisters and I, Lora Dawn, Jocile,& Kristen visited Isonville in October 1995. I took a picture of anything that said Ison.

2. Here's a picture of the tobacco barn on the Gillum residence.

3, 4, 5, Gillums weren't home, It was raining so I didn't get closer to what we thought was the old Ison residence across the street and up the hill from Gillums.

Three shots of old home. Can any of you verify if this is the old Ison home?

6. The road coming from Isonville to Gillum place. I'm standing under the carport at Gillums.

7. The hardware store in Isonville.

8. Isonville Post office

9. Archibald headstone, I think you already have a copy of this pic.
